The AmCham China Leadership Development Program (LDP) was launched in 2017 to build an ever-expanding group of leaders capable of carrying the AmCham China community forward. Our mission is to nurture future leaders by encouraging them to engage with members of the AmCham China community and the U.S.-China relationship. By the end of 2024, we already have over 160 alumni for the AmCham China Leadership Development Program (LDP)!
