

# WOMEN'S PROFESSIONAL COMMITTEE

The **Women's Professional Committee's** objective is to foster and support the professional development of women through networking and information sharing. The Committee implements a series of programs, events, and activities throughout the year aimed at enhancing selected skill areas integral to success in the business world. It also provides a forum for members to share and learn from each other. The Committee's 2024 strategic plan is grouped around three types of activities: *Advocacy, Business, and Community (ABCs)*.

## Committee Priorities:

Advocacy-Low

Business-High (information sharing)

Community-High (networking)

## Mission

- To improve the working and social environment in ways that benefit members;
- To share and discuss cross-sector business and women issues to get smarter about the female community;
- To strengthen closer communication for professional women.

## Main Activities

Debriefing Events (Closed-door) - invite women related experts and officials to debrief new trends and hot issues for members.

Regular meetings and events focused on female related issues important to Committee member companies.

## Leadership
